

ARCHITECTURE VIA ARCHITECTURE BACHELOR'S DEGREE, MASTER OF ARCHITECTURE

Minimum Total Hours (Non-Thesis): 60

Program Code: M046

This NAAB accredited degree program is designed for candidates holding a pre architecture degree or a non NAAB accredited degree in architecture who wish to pursue an NAAB accredited professional degree. The program offers the opportunity for advanced and specialized study of architecture and related disciplines as well as establishing the NAAB accredited degree credentials which are prerequisite to architectural licensing in most of the U.S. The amount of required prerequisite coursework is based on a review of a candidate's preceding coursework.

The master's degree requires the equivalent of *at least* two semesters of satisfactory graduate work and additional work as may be prescribed for the degree.

All coursework applied to the master's degree must carry graduate credit.

Master's degree programs which require a thesis consist of *at least* 30 credit hours. All non-thesis master's degree programs require *at least* 32 credit hours.

Credit transferred from other institutions must meet specific criteria and is subject to certain limitations.

Courses completed through correspondence study may *not* be applied to the master's degree.

To qualify for a graduate degree, students must achieve an overall grade point average of 3.0 or higher in the degree program coursework and in all resident graduate coursework attempted. A student must also have at least a 3.0 in all coursework (including undergraduate coursework if any).

Additional information for master's degree students may be found in the Graduate College Bulletin.
