

# CONSTRUCTION SCIENCE, MINOR

---

**Minimum Total Credit Hours:** 18

**Overall GPA - Combined and OU:** 2.50

**Program Code:** N250

The requirements for a minor must be completed concurrently with the major degree requirements. No minor may be added by completing courses after receiving the bachelor's degree.

## Required Courses

Students who declare a minor in Construction Science must complete eighteen (18) hours from the list of courses below.

Code	Title	Credit Hours
CNS 2713		3
CNS 2813	Construction Documents and Quantity Surveying	3
CNS 2823		3
CNS 3512	Cost Estimating	2
CNS 3812	Project Planning and Scheduling	2
CNS 4613	Soils and Foundations	3
CNS 4152	Legal Issues in Construction	2

- The minor is not intended to prepare a student for professional practice in the minor field.
- Required courses in the student's major cannot be used for the minor.
- Enrollment in the Construction Science minor must have the approval of the Director of Construction Science, the Division that offers the minor.

Minors are available to all undergraduate students at OU. If the minor is officially declared and approved, successfully completed, and noted on the graduation application, the student's transcript will so indicate at the time the bachelor's degree is posted.
