Program
Naval Science
N737
Minor

The requirements for a minor must be completed concurrently with the major degree requirements.

No minor may be added by completing courses after receiving the bachelor's degree.

No single course may be used by a student to satisfy a major requirement and a minor requirement. A course may be used, however, to satisfy both a major support requirement and a minor requirement.

Courses may not be taken Pass/No Pass.

The minor is open to all students, not just those participating in the NROTC program.
