Minor

Minimum Total Credit Hours: 19

Overall GPA - Combined and OU: 2.50

Program Code: N250

Enrollment in the minor in construction science program requires approval of the Director of the Construction Science Division. Students are admitted on a competitive basis, based on GPA and experience. **A minimum GPA of 2.5 is required to enter the minor and must be maintained to remain in the program and receive the minor.** For consideration to enter the program, this form must be completed and returned to the CNS academic adviser by April 1. Students will be notified of admission decisions by June 1.

The requirements for a minor must be completed concurrently with the major degree requirements. No minor may be added by completing courses after receiving the bachelor's degree.

- The minor is not intended to prepare a student for professional practice in construction.
- Required courses in the student's major cannot be used for the minor.
