## Undergraduate Anthropology Electives

The 18 hours of Anthropology electives for the undergraduate degree are subject to the following requirements and restrictions:

- Methods Class:** Must have at least 3 credit hours that are listed as Research Methods as defined by the Anthropology Elective List<sup>1</sup> which may be obtained from the departmental website. (shared Graduate Research Methods course will meet this requirement)
- Three Subfields<sup>2</sup>:** Must have upper division (3000- or 4000-level) electives that span at least 3 different subfields as defined by the Anthropology Elective List<sup>1</sup> which may be obtained from the departmental website. The four possible subfields are: *Archaeological*, HHB (Human Health & Biology), *Linguistic*, and *Socio-Cultural*.
- At least 15 hours of electives must be 3000- and 4000-level classes. Graduate-level courses may fulfill this requirement (Shared courses ANTH 5123, ANTH 5223, the Graduate Research Methods class, and the 3 hours of shared Graduate elective may be used for this requirement.)
- Up to 3 credit hours of these electives can be filled by Independent Study, Internship, Honors Research, or Mentored Research (ANTH 3810, 3910, 3920, 3940, 3950, 3980, 3990, or 4990).
- Up to 3 credit hours of electives can be filled by approved non-Anthropology courses. These allowable classes are listed on the Anthropology Elective List<sup>1</sup>. Any study abroad course on Anthropology or Anthropology-related topics may be used with permission of the Department adviser.

- <sup>1</sup> The most current Anthropology Elective List can be found at: <https://www.ou.edu/cas/anthropology/academics/undergraduate>
- <sup>2</sup> A graduate-level course may fulfill this requirement.

Some Anthropology electives may fulfill more than one subfield or can fulfill both subfield and research methods categories. In these cases, completing one course may satisfy two distribution requirements with the "Anthropology Electives" major requirement. For example, a student whose first class is designated Biological & Research Methods and whose second class is Socio-Cultural & Linguistics would fulfill requirements #1 and #2 above with those two classes alone.

Please consult with the Department advisor if you have any questions.
