## Suggested Semester Plan of Study

This plan of study should not be used in lieu of academic advisement. Students who transfer from other institutions (particularly community colleges) must verify credit hour and course requirements with their academic counselor, (405) 325-1429, <http://www.ou.edu/international>. Please make an appointment for a degree check with your college academic counselor once you have earned 90 hours.

This plan shows one possible grouping of courses that would allow students to graduate in four years. Please refer to the front of the degree checksheet for official requirements. Students must consult with Department of International Studies academic advisors to verify that courses selected each semester fulfill the recommended plan and satisfy university, college, and International Studies major requirements.
