NOTES

- All requirements are to be satisfied by the student's fourth semester in the program. If special circumstances warrant an exception, the department may extend this deadline.
- For thesis students, the thesis should be a single, sustained piece of writing
 modeled on a scholarly journal article. With regard to to length and
 quality, it is expected that the thesis will be presented to the department as
 a pre-circulated paper and discussed as a part of the colloquium series. At
 the discretion of the thesis committee, this presentation may take the place
 of the oral defense of the thesis.
- For non-thesis students, a portfolio of three research papers prepared as part of your regular graduate course work should be submitted to your committee.

General Requirements for all Master's Degrees

The master's degree requires the equivalent of *at least* two semesters of satisfactory graduate work and additional work as may be prescribed for the degree.

All coursework applied to the master's degree must carry graduate credit.

Master's degree programs which require a thesis consist of *at least* 30 credit hours. All non-thesis master's degree programs require *at least* 30 credit hours.

Credit transferred from other institutions must meet specific criteria and is subject to certain limitations.

Courses completed through correspondence study may not be applied to the master's degree.

To qualify for a graduate degree, students must achieve an overall grade point average of 3.0 or higher in the degree program coursework and in all resident graduate coursework attempted. A student must also have at least a 3.0 in all coursework (including undergraduate coursework if any).

 $\label{lem:conditional} Additional information for master's degree students may be found in the Graduate College Bulletin.$
