Human Relations Transfer Credit Guidelines:

- Students may transfer no more than 9 hours of graduate counseling-based credit from other universities. These credits must be evaluated by the university. They may not be applied toward individual course requirements without prior graduate liaison approval.
- Other OU Graduate Classes: No more than 9 hours of graduate counseling-based credit taken in other OU programs may be used toward the CMHC degree. These hours must be approved by the HR graduate liaison.
- Students may not apply more than 9 combined hours of transfer credit and OU credit outside the HR program.
- A letter must accompany all transfer hours from the school-of-origin outside of the State of Oklahoma stating which LPC course requirement the course(s) fulfill(s). These transfer hours will then get departmental approval.
- At least 30 hours of a student's coursework must be in classroom-based H R classes. Practicum and Internship is not classroom-based and therefore cannot be counted as part of the 30 hours of classroom based work. Also, other University of Oklahoma courses and transfer hours do not count as part of these 30 hours.
- Transfer courses cannot be older than 5 years old at the time of graduation.
