NOTES

- At least 15 hours of a student’s coursework (except students in the 100% online program) must be in classroom-based H R classes. Internship, independent study, directed reading, and practicum are not classroom-based and therefore cannot be counted as part of the 15 hours of classroom-based work. Also, other University of Oklahoma courses and transfer hours do not count as part of these 15 hours. Students facing circumstances which prevent them from meeting this requirement may petition the graduate liaison for an exception, with good cause. The graduate liaison has the discretion to approve fewer than 15 classroom-based HR hours, with appropriate justification and in limited circumstances.
- MHR students may transfer no more than 9 hours of graduate credit from other universities. These credits must be evaluated by the university. They may not be applied toward individual course requirements without prior graduate liaison approval. MHR students may not apply more than 9 combined hours of transfer credit and OU credit outside the HR program.
- Other OU Graduate Classes: No more than 9 hours of graduate credit taken in other OU programs may be used toward the MHR degree. These hours must be approved by the graduate liaison.

GENERAL REQUIREMENTS FOR ALL MASTER’S DEGREES

The master’s degree requires the equivalent of at least two semesters of satisfactory graduate work and additional work as may be prescribed for the degree.

All coursework applied to the master’s degree must carry graduate credit.
