

COMPUTER SCIENCE, M.S. APPROVED COURSES LIST

For the most current list of approved courses, please consult the School of Computer Science.

Approved Core C S Courses

Code	Title	Credit Hours
C S 4613	Computer Architecture (taken for graduate credit)	3
C S 5013	Artificial Intelligence	3
C S 5033	Machine Learning Fundamentals	3
C S 5113	Distributed Operating Systems	3
C S 5133	Data Networks	3
C S 5173	Computer Security	3
C S 5213	Software Engineering Processes ¹	3
C S 5473	Parallel, Distributed, and Network Programming	3
C S 5813	Formal Languages	3

¹ C S 5213 is not available to C S majors who complete C S 4273 in the B.S. program for Computer Science at OU; C S 4273 is considered the undergraduate course equivalent of C S 5213.
