Graduate Certificate

The Graduate Certificate in Resilient Planning, Design, and Construction is an option for design professionals to participate in an assortment of courses specifically centered on expertise in Resilient Planning, Design, and Construction education. A total of 12 hours is required. While this certificate is embedded within the Master of Science in Architecture degree, graduate students enrolled in the Master of Architecture degrees will also be eligible based upon allowable electives.

**CERTIFICATE REQUIREMENTS**

Code	Title	Credit Hours
ARCH 5463	Advanced Sustainable and Resilient Systems	3
Select 9 hours from a list maintained by the department		9
<b>Total Credit Hours</b>		<b>12</b>

A graduate *certificate* is not a graduate *degree*. A graduate degree represents a program of independent inquiry beyond the depth of coursework alone, while a graduate certificate represents a set of courses only.

- All courses must be taken at OU. No transfer credit will apply.
- No course substitutions are permitted for graduate certificates.
- Coursework applied to a graduate certificate cannot be more than five years old as of the semester the graduate certificate is awarded.
- Students must earn a grade point average of 3.00 or higher on all coursework applied to the graduate certificate.
