More information in the catalog: (<http://ou-public.courseleaf.com/gibbs-architecture/lemon-construction-science/construction-management-special-studies-master-science/>).

¹CNS 5003, CNS 5013, and CNS 5033 are fundamental courses for students without construction education or background-may be replaced with electives for students with sufficient construction education and/or experience, with approval of the graduate liaison.

General Requirements for all Master's Degrees

The master’s degree requires the equivalent of *at least* two semesters of satisfactory graduate work and additional work as may be prescribed for the degree.

All coursework applied to the master’s degree must carry graduate credit.

Master’s degree programs which require a thesis consist of *at least* 30 credit hours. All non-thesis master’s degree programs require *at least* 30 credit hours.

Credit transferred from other institutions must meet specific criteria and is subject to certain limitations.

Courses completed through correspondence study may *not* be applied to the master’s degree.

To qualify for a graduate degree, students must achieve an overall grade point average of 3.0 or higher in the degree program coursework and in all resident graduate coursework attempted. A student must also have at least a 3.0 in all coursework (including undergraduate coursework if any).

Additional information for master's degree students may be found in the Graduate College Bulletin.
