Students accepted in the minor will be given permission to enroll in the upper-division credit hours of the minor.

Students must have a 3.0 retention combined grade point average or better at the time of application.

The Supply Chain Management Review Committee will evaluate applicants. Acceptance into the program will be based on academic performance in courses, activities, awards, work experience, and other measures indicative of future performance.

Students must complete at least nine (9) minor hours in residence at the University of Oklahoma.

Courses for the minor may not be taken Pass/No Pass.

Minimum OU and Combined GPA of 2.50 in courses completed in the minor.
