- 1 The Biomedical Education concentration is comprised of a 36 hour concentration in medicine as approved by ILAC in consultation with OU HSC faculty:
20 hours minimum in Anatomy or other coursework as approved by the faculty advisor and Graduate Liaison.
10 hours Teaching Practicum.
6 hours additional coursework in research or other coursework as approved by the faculty advisor and Graduate Liaison.
- 2 For the Instructional Leadership area of concentration the 36 concentration hours must include a minimum of 9 hours in ILAC taken after the master's degree (not including dissertation hours). The remaining hours may be in related educational fields or academic disciplines.

GENERAL REQUIREMENTS FOR DOCTORAL DEGREES

A student should expect to spend at least the equivalent of three full academic years beyond the bachelor's degree to obtain the doctoral degree. During this period the student will take appropriate graduate coursework, successfully complete the general examination, and successfully defend and submit the final dissertation.

All coursework applied to the doctoral degree must carry graduate credit.

The doctoral degree requires at least 90 post-baccalaureate hours, including both formal coursework and hours of research.

The minimum hour requirement for a specific doctoral degree program cannot be waived.

No more than one-half of the credit hours, both OU and overall, excluding Research for Doctoral Dissertation (6980), may be S/U-graded coursework.
