According to the Oklahoma State Regents, "Liberal Arts and Sciences Courses are those traditional fields of study in the humanities; social and behavioral sciences; communication, natural and life sciences; mathematics; and the history, literature and theory of the fine arts (music, art, drama, dance). Courses in these fields whose primary purpose is directed toward specific occupational or professional objectives, or courses in the arts which rely substantially on studio or performance work are not considered to be liberal arts and sciences for the purpose of this policy." 3.15.2 (p 145), OSRHE Policy & Procedures Manual.

SUGGESTED SEMESTER PLAN OF STUDY

At least 24 hours of upper-division Art and Art History credit must be earned in residence as a declared major. This plan of study should not be used in lieu of academic advisement. Unless otherwise stated on the degree sheet, the College of Fine Arts does not permit coursework to fulfill more than one degree requirement.

Two college-level courses in a single world language are required; this may be satisfied by successful completion of 2 years in a single world language in high school. Students who must take language at the University will have an additional 6-10 hours of coursework.
